It's free and a great way for anyone to learn how to not be a victim. Just fill out the online form linked above and click subscribe and you are all signed up! Whether or not you want to know how to safely and effectively run a neighborhood watch the seminar is packed with information that can save your life and protect your possessions. Included now: Situational Awareness and Street Survival training.

We hope to see you on the 17th of January, 2017 at the Sheriff's Office. Any questions about this event can be answered by David Craig / Coordinator for ECSO Community Services at 436-9281.

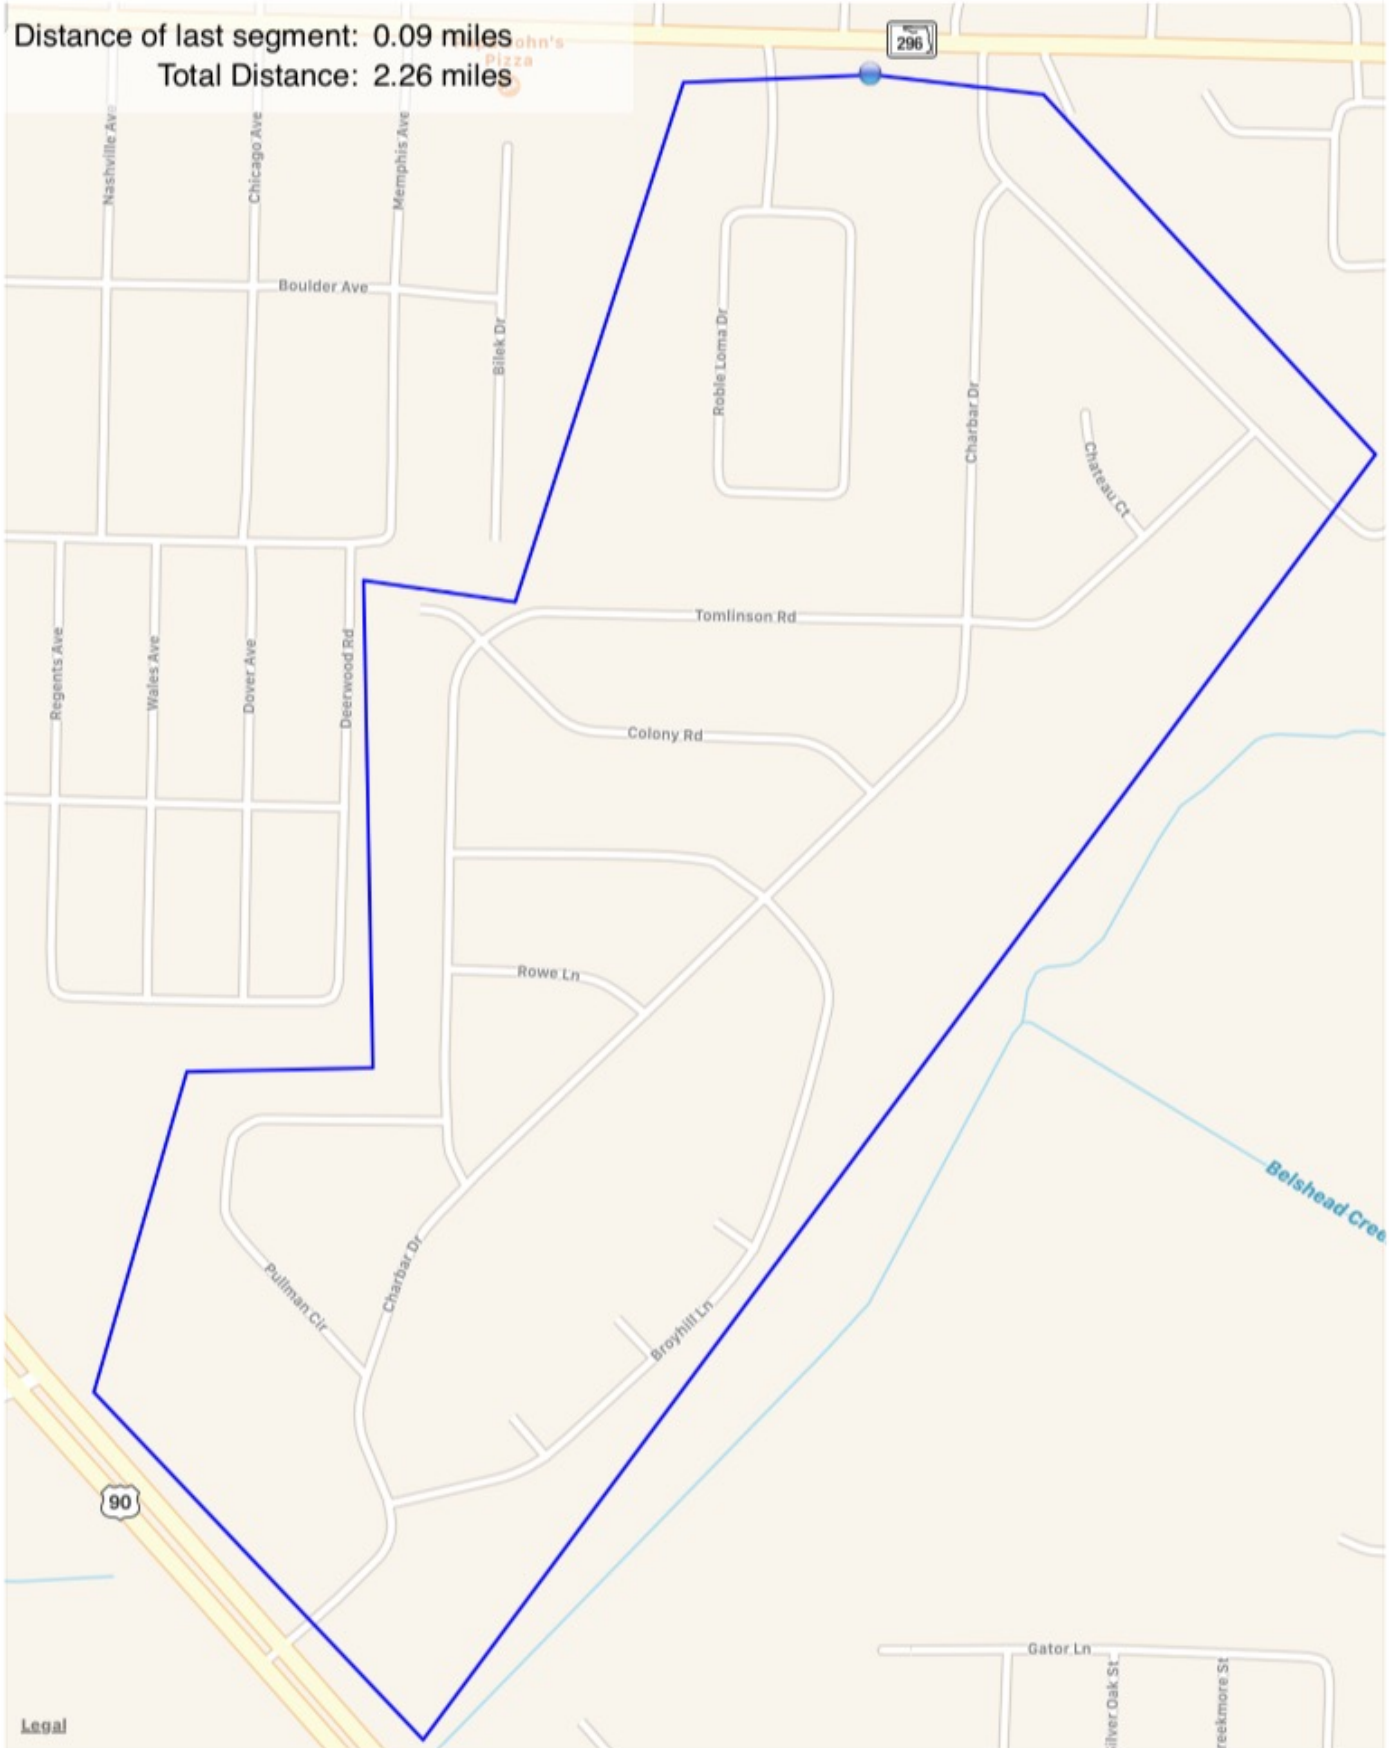

Clean Sweep in Carriage Hills

The next Operation Clean Sweep will be in the Carriage Hills area on Thursday, January 19th. If you reside in the area depicted on the map below please have whatever trash or debris you would like picked up placed out at the right of way by 8 o'clock in the morning on that day.

We will meet at 8:00AM at Charity Chapel to launch the operation. Members of the Carriage Hills Neighborhood Watch are invited to join us.

Part of the operation is a drivers license checkpoint. If you venture forth in a vehicle remember to wear that seatbelt. Of course it always pays to be a safe driver and you should never operate a vehicle without a valid drivers license or current tag and insurance. The focus of "Operation Clean Sweep" is to work with Neighborhood Watch groups, residents, churches and business owners to control and prevent the damaging effects of criminal activity through Eradication, Enforcement and Education. The Operation Task Force works closely with Environmental Law Enforcement, the United States Military, Escambia County Roads and Bridges and Neighborhood Watch groups to clean up neighborhoods and educate citizens on preventive measures that can be implemented to minimize possible crimes. For more information on future clean ups, or to volunteer, contact P.O.C. Commander Tharp (850) 436-9939 or Sgt. Curtis Cephas at 554-1202. For more information on starting a Neighborhood Watch in your community, or to join an existing group, call David Craig (850) 436-9281.
